

## Mercenfeld Primary School

### Pupil Premium Intention, Implementation & Impact Strategy

#### Intent

To enable children eligible for PP funding to have the same experiences as their peers, to provide them additional learning support to suit their needs and to help them have the confidence to develop their creativity and associated life skills in order to prepare them for life beyond school.

“**CREATIVE** people  
are **CURIOUS**, **(flexible)**,  
**PERSISTENT**,  
and **independent** with a  
**TREMENDOUS SPIRIT**  
of **adventure**  
& a **love of play.**”

#### Implementation:

In addition to ensuring that children eligible for pupil premium funding have access to the same creative curriculum as their peers, funding is also made available to enable them to attend after school clubs, educational visits and residential; offering them a wide range of opportunities and experiences that they may otherwise not have the opportunity to access. We highly value the importance of reading for pleasure and to encourage this we provide pupils with reading books they can keep and share with their families and offer a subscription for a comic/magazine. Funding is also used to enable us to employ additional members of support staff, not only to work alongside children in the classroom or in small groups to aid academic success, but to also provide the social, emotional support that they may need.

#### Impact

It is the aim of the school to ensure that PP Funding is used to help children believe in themselves, to help close the attainment gap between those eligible for PP funding and their peers and to engage children in the learning process and instil a love of learning.
